(6) II Head office The increase under this head is due to insertion of a new item Rs 119 on account of travelling allowance of the municipal clerk in the D office As there is only one clerk in it, he should not ordinarily be taken by the D Comr on circuit with the D Comr. save in exceptional cases, the number of days, being ordinarily managed with the help of the revenue establishments about in camp. The provision made will not however be disturbed

(7) III Collection As the Govt have not as yet sanctioned the D Comr's proposal made in his letter dated 12 February 1895 etc to employ 6 or 8 Gumastas on Rs 10 to help the

There is a growing tendancy to increase the establishment of Sweepers and other ~~xxxxxxxxxx~~ charges under ~~As~~ the municipalities are poor and their incomes may not keep pace with the increasing expenditure, it should be curtailed

~~is not satisfactory~~

it is a matter for consideration whether lighting may not be deferred till enough funds accumulate. The D.C. Comrs views are invited on this point, pending its receipt, the provision will be allowed to remain.
